

LASERDARTS WARRANTY

At Laserdarts, we are proud to provide a no nonsense, *lifetime barrel guarantee* on **ALL** of our Laserdart darts. If, for any reason your barrels *break, crack or chip* we will replace it for **FREE**. Simply call us at 1-800-542-3278 to receive an RA# (return authorization #). Once received, send all three barrels back (ship to address listed below) priority mail/insured. **DO NOT** ship loose barrels or use a regular letter envelope as they all may not make it here. Insure them for \$100.00 (soft tip or fixed point barrels) or \$200.00 (MP barrels). If we are unable to match the replacement barrel(s) to the other barrel(s) in your set, we will give you a brand new set. Once we receive your darts we will inspect *all* barrels and determine what they may or may not need. If the problem is **NOT** covered under Laserdarts warranty you will be liable for the return shipping (priority mail/insured).

Please note the following is **NOT** covered under Laserdarts warranty:

- Knurling (Will wear down with time or excessive use)
- Coating (Due to acidities in your skin & how often you play it can wear more easily)
- Shafts (Spider leg shafts need to be tightened by the base **ONLY**. If they become loose take a lighter and *quickly* heat the shrink wrap)
- Flights
- Points (soft or steel - tip)
- **ANY** modification to our dart barrels voids **ALL** Laserdart warranties

Often when you have a problem getting a shaft or soft tip point to screw into the barrel, it simply needs to be tapped out with a 2ba tap. You can either send the barrels back to us (pay incoming & return shipping only) or purchase a 2ba Tap & Handle at www.horizondarts.com. Remember, **ONLY** use poly or nylon shafts in our MP darts, if you insist on using an aluminum shaft it will void **ALL** Laserdart warranties. We suggest that you buy a fixed point dart to avoid this.

Laserdarts also offers repointing on our steel tip fixed points for a low cost of \$10.00 plus the cost of shipping (priority mail/insured).

If you have any questions or concerns please feel free to contact us.

Happy Darting!!
